Public Notices

NOTICE OF SPECIAL SCHOOL DISTRICT REORGANIZATION ELECTION

Notice is hereby given to the qualified electors of the Lemon Grove School District that in accordance with the provisions of the Education Code of the State of California, particularly Sections 4611 to 4620 thereof, a special election will be held on December 5, 1952, within the exterior boundaries of said Lemon Grove School District for the purpose of submitting to the qualified electors of the above-named school district the question of whether or not this district shall become a unified school district.

The polls at said election shall be opened at 7:00 A. M. and closed at 7:00 P. M.

For the purpose of holding said election, said Lemon Grove School District shall be divided into 4 Special Election Precincts, and said precincts are hereby established as hereinafter numbered and described; and the persons hereinafter named being competent and qualified electors of said school district, and of the Special Election Precincts for which they are respective. Officers of Election, as hereinafter designated; and said Officers of Election shall conduct said election and make returns thereof pursuant to law as follows:

SPECIAL ELECTION PRECINCT NO. 1

shall include all the area within the exterior boundaries of the Lemon Grove School District embraced in the following County General Election Precincts: Lemon Grove No. 2 inclusive; Radio No. 2 inclusive; and a portion of Lemon Grove Nos. 1, 1C, and 1D; and a portion of Radio No. 1.

POLLING PLACE therein will be at the Vista La Mesa School, 7101 Pearson Street, La Mesa, San Diego County, California.

Officers of Election for said Precinct:

Inspector: Marian L. Kinyon
Judge: Eula Gertrude Bryant
Judge: Vera Wells

SPECIAL ELECTION PRECINCT NO. 2

shall include all the area within the exterior boundaries of the Lemon Grove School District embraced in the following County General Election Precincts: Lemon Grove Nos. 2A, 3, 4, 5, and 13 inclusive; and a portion of Spring Valley Nos. 1A and 1B.

POLLING PLACE therein will be at the Lemon Grove Intermediate School, 7885 Golden Avenue, Lemon Grove, San Diego County, California.

This is the Helix High School voting "yes" on the unification proposal.

There are no other side issues. As a Grossmont high school district board member told more than one hundred persons at the official hearing on Wednesday, 19th, "you are voting on one question and one question alone."

'Thanx' Sets Up Boxes Locally

THANX, an organization collecting gifts to be sent to fighting men in Korea, has established headquarters in these local Lemon Grove stores: Silver's Store, 7809 Broadway; Lemon Grove Variety Store, 3348 Main Street; Lemon Grove Shopping Center, 3308 Main Street; Lemon Grove Department Store, 7846 Broadway; and Lane's Men's Shop, 7765 Broadway, announces Mrs. Doris E. Monise, local chair-

man.

Gifts being sought by THANX are: candles, stationery with self-sealing envelopes, any kind of canned food, except lunch meat double-edge razor blades, mirrors and ready-mixed lathe for shaving, hand warmers, retort lighters, wool socks, bell-point pens, pencils, cigarettes, pipes, tobacco, handkerchiefs and playing cards.

Packages should be gift-wrapped with the donor's name and address included. Accompanying gift lists will help THANX distribute the gifts more appropriately.

Deadline for receiving gifts is November 30.

The first Thanksgiving was celebrated 321 years ago, making the holiday the oldest observed by the nation.

What do the youngsters think youngsters. Arvis Reed, Tommy of unification? Definite ideas Simmons, Loretta Bell and Alan and opinions are expressed by Batchelder tell you how teen-age this group of forward thinking students feel on the subject.

Lemon Grove has failed in its activities but Grossmont doesn't offer the invitation because it is of many teen-agers about neither local nor foreign. I guess you can't mix separate communities and have neighborliness.

Arvis Reed, 7913 Lansing Drive, is planning a career with the Air Force, in jets and rockets. Says Arvis, "Grossmont district is too scattered. When we had the barbecue pit building program I noticed how strained parents were. Most of them just stood around while a few worked, then these soon wandered off. I'll bet if these had been Lemon Grove parents at a Lemon Grove High School there'd have been a lot of fun among them."

Tommy Simmons, 1655 El Roy Drive is going to Annapolis and then to the Navy. He is on the junior varsity football squad. Tommy says his squawk is transportation. "It takes too long and the drive is too far to make the trip for four years. It would also be better if Grove people would take more interest in the ball games but most of the fellows are reconciled to the fact that this isn't going to be, he believes."

All of these youngsters expressed relief that they would not be shunted to a new school should the district unify. Transition from home grade school to high school at Helix and for some, grade school to Grossmont to Helix, has been pretty tough, they agree.

Loretta Bell, 7705 Canton Drive, is taking a university course and plans to be a nurse. "Residents don't seem to care much one way or another about high school," she said "Helix is almost like going to an out of town school... and its almost as far. Another thing, high school kids want adult help for dances and sports events. I think we'd have community unity if we had a high school in Lemon Grove."

Alan Batchelder, 8449 Mt. Vernon, the most vocative of the group sees a local high school as a need for adult morale. "I know a lot of adults who want to take part in high school activities."

Cpl. Goodman Returning from Korea

WITH THE 1ST CAVALRY DIV. IN JAPAN—Cpl. Lionel Goodman, son of Mr. and Mrs. Jacob H. Goodman, 7295 Central Ave., Lemon Grove, Calif., is returning to the United States under the Army's rotation program after 17 months in the Far East.

He served in the 1st Cavalry Division, which spent 17 months in the front lines of Korea before being assigned to security duty in Japan late in 1951.

A clerk with the 61st Field Artillery Battalion, Corporal Goodman entered the Army in December 1950. He has been awarded the Army of Occupation Medal for service in Japan, Korean Service Ribbon with three campaign stars and the United Nations Service Ribbon.

'Cinderella' Visits Grove 2nd Grade Class

During American Education Week the second grade children in Mrs. Mason's room presented the play, "Cinderella" for the Golden Avenue P. T. A. Lead roles in the play were taken by Wallace Rolmale as the prince, Darcy Cremer as Cinderella, Sharon Nadler as a sister, Ann Smith as a sister, Carol Pierce as the step-mother, Lynn Cole and Gary Gomes as pages. Other children in the class took the roles of lords and ladies of the court, Donald Lawler and James Nisbett were the stage managers. All costumes were made by parents of the children.

Another challenging demand for unification is the growing pupil population. There are nearly 1,400 students enrolled in the first four grades of the elementary district. This total will grow in ratio to the growth of Lemon Grove's population. If this growth continues it is estimated by some observers that a high school for 2,000 students will be required by the time this elementary school group reaches high school age. This year's enrollment in this group was 14% greater than the year before.

A series of meetings has been held in the community for the purpose of enlightening the residents. These meetings have been more orderly than similar meetings in other communities. School officials have attempted to give as much information as needed during the hearing process. The next step is the vote step. The decision to unify is up to the individual voter on December 5th.

UNIFICATION GROUP SPONORS PAID ANNOUNCEMENT

On page four of this week's REVIEW is a full page announcement by proponents of Unification. In easy-to-understand language, it gives reasons why unification of the Lemon Grove District is desirable.

The REVIEW joins with this group of forward thinking citizens and urges all of its readers to vote "yes" for unification at the polls Friday, December 5th.

The REVIEW also reminds those who are opposed to the proposition that they may exercise their prerogative at the polls on the same date. However, it is our wish that these persons will fully examine the potentialities of a unified district and vote "yes."

Beverly is a 17 year old soprano. Epstein was formally with the Metropolitan Opera Co., and is one of the outstanding vocal teachers in San Diego.

LETTERS TO THE EDITOR

Lemon Grove Review

Dear Mr. Goodwin:

It is our feeling that in the past, the manner in which the proposal "for" unification of the Lemon Grove School District was presented left much to be desired. This can be somewhat understood because of the complexity of the issue. In the process of asking questions in public and in private, and because of our views printed in the newspaper, we have been placed in the camp of the opposition.

Our main questions have been: (1) Is this the time to unify? (2) For the maximum benefit of our children is the unification of the Lemon Grove School District the best answer? (3) Would the outcome of the La Mesa proposal affect us adversely? (4) Are we unifying on a sound financial basis? (5) Would the prospective withdrawal of Vista La Mesa and Brookside jeopardize our chance of success? (6) Would unification be detrimental to our elementary system? (7) Could the proposed high school offer good high school facilities for our children?

We, at this time wish to publicly announce that after much effort and serious questioning of many persons on both sides who were qualified to answer, and after searching out the available facts we have come to the conclusion that unification of the Lemon Grove School District at this time is feasible and a necessity if the voters of this district desire a high school located in

Gelatine Presents Turkey Anew

Turkey left over from the holiday meal and cranberry jelly make a new and festive reappearance in a two-tone gelatine salad. Both layers of the cranberry turkey salad are prepared with unflavored gelatine, the kind that allows maximum enjoyment of natural flavors and colors. One envelope of gelatine combined with mayonnaise and left-over turkey makes a creamy layer, and the second envelope molds the cranberry jelly to supply brightness and tartness to the dish. Serve salad on cabbage slaw and surround with bread and butter sandwiches cut with turkey cookie cutter.

Cranberry Turkey Salad

Layer I
1 envelope unflavored gelatine 1/2 cup cold chicken bouillon
1/2 cup cold water 1/2 cup hot chicken bouillon
1/2 cup hot water 1/2 cup diced cooked turkey
1/2 teaspoon salt 3 tablespoons minced green pepper
1/2 cup diced celery

Soften gelatine in cold chicken bouillon. Add hot bouillon and salt and stir until dissolved. Cool, add lemon juice and mayonnaise. Stir in turkey, green pepper and celery. Pour into large mold; chill until almost firm. While this mixture is chilling, prepare the following cranberry mixture.

Layer II
1 envelope unflavored gelatine 1/2 teaspoon salt
1/2 cup cold water 1/2 cup cold water
1/2 cup hot water 1/2 cup hot water
1 1/2-pound can jellied cranberry sauce
1 1/2-pound can jellied cranberry sauce
Soften gelatine in cold water. Dissolve in hot water, stirring thoroughly. Add salt and lemon juice. If desired, cut a 1/4-inch thick slice from jellied cranberry sauce; cut with scalloped cookie cutter; reserve for garnishing finished mold. Crush remaining sauce with a fork. Add to gelatine mixture; beat with rotary beater until smooth. Turn on top of first layer. Chill until firm. Unmold and surround with cabbage slaw. YIELD: 10 servings.

Monterey Heights PTA Meet Draws 250

The Monterey Heights P. T. A. meeting was held November 13, in the School auditorium. In observance of American Education Week, Open House was held to give the parents the privilege of visiting their children's respective rooms and observe what progress they have made since the school year opened.

The meeting was opened by Mrs. J. A. Setchell, president, with the Flag Salute, led by Mr. Byron Netzel. Inspiration was read by Miss Helen Shelton, vocal selections by Cordell Purdy, one of the Kindergarten children father, singing Invictus by Huhn, an Aria from the opera "Faust" by Gounod, accompanied by Mrs. Martha Thomas, a Mexican dance by the pupils of Mr. Calderone's Fourth Graders, whose room also won the Banner for the most mothers and fathers attending by a count of 32. Altogether there were 250 people.

Mr. Burton Tiffany spoke on Selection of Textbooks. The film strip on Unification was shown and narrated by Mr. W. Arthur Thomas, Principal.

Refreshments were served with the hostesses of the P. M. Kindergarten Mothers.

County Fair Seeks 1953 Theme

Wanted — Everyone to get in the act! With apologies to Jimmy Durante for the use of his paraphrase, directors of the 22nd District Agricultural Assn., which sponsors the San Diego County Fair at Del Mar every summer, actually wants everyone in Lem-

on Grove to send in suggestions to San Diego County Fair at Del Mar.

Necessity for a motif this far in advance, Paul Mannen, Fair Manager, explained, is to give civic organizations and other participants ample time to design and plan their exhibits.

Several clubs already have written in to inquire about the theme, Mannen said. Last summer's motif, "Down on the Farm" was used very effectively. Suggestions should be mailed Mannen concluded.

Flourescent Tape Adds To Bicycle Safety At Miguel

Following the plan of providing a continuous safety program in the schools, Robert E. Sutton, Principal of San Miguel School, announces that this week will receive special emphasis on bicycle safety.

Wednesday morning Jack Brook will hold an assembly on safety after which he will mark all bicycles with fluorescent tape. The fluorescent tape is visible at night and has been very successful in eliminating accidents involving bicycles.

Highlights At Helix

Helix High School is being constructed by the Grossmont Union High School District. Members of the Board of Trustees are:

Clarence H. Foster, President; Lester L. Freeman, Clerk; Rexford L. Hall, Conrad C. Cooper, Charles A. Irwin.

The district administration consists of Lewis F. Smith, Superintendent, and Harold G. Hughes, Assistant Superintendent.

The plant was occupied in September, 1952, at the beginning of the current school year. It is estimated that construction will be completed by February 1, 1953.

Scope of the plant:

4 Classroom Buildings - Gen-

eral Education, Library, Science, and Arts.
1 Girls' Physical Education Building.
1 Boys' Physical Education Building.
1 Music Building.
1 Speech-Arts Building.
2 Industrial Arts Buildings.
1 Cafeteria - Study Hall building.
1 Administration Building.
This provides a total of 50 teaching stations which include the following:
25 General Education classrooms - English, Math, Language, Social Studies.
5 Specialized Facilities: Home-making, Graphic Arts, Ceramics, Crafts, Fine Arts, and Photography.
4 Specialized Facilities for Science, including Chemistry, Physics, Biology and Health Education.
5 Specialized Facilities for Industrial Arts, including Shop and lecture rooms for Auto Mechanics, woodworking, Metal parative school structures at the

Working, Electricity and Radio, and Mechanical Drawing.
3 Specialized facilities for Music which provide opportunities for Vocal, Instrumental and Music Appreciation activities.
1 Specialized facility for the Speech Arts. This will make possible instruction in all forms of Oral Expression such as Drama and Speech.
2 Physical Education buildings which will provide shower and locker facilities plus three rooms for specialized physical education activities.
1 Library with adequate facilities for supplementary instructional material.
1 Combination dining room and Study Hall which will be in use every period of the day. Kitchen facilities for a complete school lunch program occupy the balance of the cafeteria building.
The Administration building provides facilities for a complete counseling and guidance program, the school nurse and health program facilities, in addition to the administrative space for the principal, vice-principal, general office and attendance recording. Space for duplicating facilities to ensure the production of instructional material is also provided.
Construction and Cost Details: Architects - Kistner, Curtis and Foster, San Diego.
Contractor - The O. L. Carpenter Construction Co., San Diego.
Costs:
Site \$ 27,000
Site Development 339,546
Surveys, plans, fees, Tests & Inspection 214,992
Construction 2,125,071
Equipment 150,000
2,856,609
Total Area of buildings - 126,472 Square Feet.
Construction cost average - \$16.80 per square foot.
Financing:
State Loan from California Public School Building Fund - \$1,497,840.85.
District Funds - \$1,358,768.15.
The construction contracts for the plant were let at a time when the costs for such construction were at an all-time high in San Diego County.

The Board of Trustees rejected one set of bids in July, 1951 and offered the project for re-bidding in December, 1951. This action saved \$150,000 for the taxpayers. In view of costs of construction, the average figure of \$16.80 is considered extremely favorable.
General Design features:
The plant is of the one story, decentralized type of school planning.
The classroom buildings are of the double-loaded corridor type which is particularly well adapted to the needs of the secondary school. This type of construction offers the advantages of bi-lateral lighting in each room coupled with a location for hall lockers which does not interfere with traffic and still gives them a protected location.
All the buildings, with the exception of the Industrial Arts and Shops, are of wood-frame stucco over a skeleton of rigid structural steel. This gives maximum earthquake stability with the lower cost advantages of wood-frame stucco construction. The Industrial Arts Building combine a structural steel frame with concrete filler walls in order to handle the wider spaces.
Ceramic tile has been used on interior corridor walls because of its low maintenance cost coupled with ease of cleaning. While the initial installation cost is somewhat higher, the District will save more than the extra in lowered maintenance costs.
Terrazzo has been used for all shower and locker areas and in all lavatories. This material has been found to be the easiest and most economical to maintain in a sanitary condition. Installation costs are competitive with ceramic tile on jobs of this size.

Troop 552 Brownies Elect Officers

The Brownie Scouts of Troop No. 552 of Monterey Heights held their election last week. WHY UNIFY?

Our Own High School

Regardless of whether we unify or not, a new high school for this area will be built with state funds.

If we unify, Lemon Grove will get that school.
VOTE 'YES' & ROOT FOR THE HOME TEAM

Children Will Benefit

Following unification all of our children's school days will be under the guidance of educators we have elected. A true junior high school program will be the result.

baseball, music, school band, dramatics & the like.

VOTE 'YES' & ROOT FOR THE HOME TEAM

Lemon Grove children will have an opportunity to participate on a more probable basis in such activities as football, basketball,

WE URGE UNIFICATION

Get Local Control

Lemon Grove has never had representation on the Grossmont High School Dist. Board. By unifying, all 5 members of the Board must

be Lemon Grove residents. This means local control of our educational program.
VOTE 'YES' & ROOT FOR THE HOME TEAM

Community Pride

Every high school activity will be the center of community pride and attention. It will, in effect, pull the community together into a purposeful, well integrated community.

Unification will provide a much needed teenage recreational facilities and evening adult activities.

VOTE 'YES' & ROOT FOR THE HOME TEAM

What About Taxes?

Our present tax limit is set by law. Unification cannot increase that limit.

VOTE 'YES' & ROOT FOR THE HOME TEAM

DO IT NOW!

Lemon Grove must some day disentangle itself from remote controlled taxing authorities with overlapping boundaries such as the present high school district, sanitation district, hospital district and proposed utility and lighting districts, etc.

ity and lighting districts, etc.

LET'S GROW UP AND CONTROL OUR OWN LOCAL AFFAIRS!

Analysis of Current School Tax Rate

The arrival of the tax statements from the city and county tax collectors provides an opportunity for all persons interested in their educational program to analyze that portion of the total tax bill which comes under the heading of "School Taxes."

Such an analysis shows two items worthy of special note. The first is that the tax for current

operation of the high school district is down from its maximum of \$1.35 to a rate of \$1.139. The second is that the repayment by school districts of the state loan for building purposes has begun.

All of the various levies for school purposes are lumped together in the tax statement under the heading of elementary district of residence of the taxpayer. For the purposes of this analysis, the rates applicable to a La Mesa resident have been used. The breakdown is as follows:

CURRENT OPERATION	RATES	
	Elementary	High School
Bond Interest and Redemption	1.3000	1.1390
Repayment on State Bldg. Loan	0.2350	0.2642
Non-certificated Retirement	0.1046	0.0752
Community Service	0.0887	0.0296
	0.0113	None
Sub-total	1.7396	1.5060
Junior College		0.0454
Grand Total for Schools		3.29

The last four rates are minor of a levy for repayment on the ones which appear in all school state loan. This is the beginning budgets. Each District makes a contribution to the retirement loan from the State Public School system of its non-certificated employees. The elementary district levies a special tax to take care of community use of some of its facilities. All districts within a Junior College District pay a Junior College tuition levy.

One item of significance is the fact that the High School District's operating levy this year is \$1.139. The voters of the high school district authorized a maximum levy of \$1.35 at a special election in January, 1952, respectively be 0.1358.

The Board of Trustees of the Grossmont Union High School District lived up to their promise to use no more of this than was absolutely necessary and as a result have held the rate down to its present figure.

Another item worthy of note is the appearance for the first time

clude election of officers for 1953.

Two speakers will offer the pro and con of unification. All members are invited. Refreshments will be served without charge. at the Woman's Club. Time of the meeting is 7:30.

School Health Services Explained

(This is the 2nd in a series of articles relating to services offered by the Lemon Grove School District.)

The school district contracts with the Public Health Department for the employment of two part-time nurses. Because of the expense involved, it is not possible to provide full-time nursing service. However, there is a nurse on duty somewhere in the school district at all times.

It is necessary that two part-time nurses be employed rather than one full-time because each Public Health nurse must spend part of her time in the field doing community health services.

Part of the nurses' duties include: supervision of sight and hearing tests; periodic physical check-up for all pupils; notifying parents when the doctor or dentist is to make an examination; conferring with teachers and parents regarding the health of children; administering first aid in case of accident; keeping a record of height and weight measurements; and, finally, working with the cafeteria manager and teachers in developing a healthful nutritional program.

Another health service offered by the school includes the notifying of parents if a child has been exposed to a communicable disease. In this case a form letter is sent home indicating the type of disease, symptoms of the disease, and the number of days which must elapse before the danger of infection has passed.

A final health service offered by the district is a home tutor. If a child is unable to attend school for a long period of time due to an accident or illness, a home tutor will visit the child frequently enough to keep the child up in his school work.

The district is fortunate in having the capable services of Miss Mabel Holmud and Miss Edith Swanborn as nurses, and Mrs. Louise Beale as home tutor.

Hogan Gets Firm Recognition

J. E. Hogan, local representative for the Prudential Insurance Company of America in Lemon Grove, qualified for attendance at the Region "Q" Business Conference held at the Del Coronado Hotel, Coronado, this week. It was announced by Edgar J. Hurst, district manager, that Hogan was one of the new insurance and outstanding service.

The local agent and other outstanding delegates from Arizona, New Mexico and California, met on special problems concerning the life insurance industry and methods of bringing added service to Prudential policyholders.

First Graders Take Reading Test

Near the end of the first six weeks of school all Lemon Grove first graders are given a reading expectancy test.

The purpose of the test is not to see how well a child reads but to give the teacher some idea of how well a child may be expected to learn the reading skills.

All children are termed pre-first until this test is given. If a child scores very low on the test, he will probably remain in a pre-first group and receive special training to develop reading readiness. Those children receiving a good score go right into a formal reading class, if so recommended.

In addition to test results, the child's kindergarten teacher and present first grade teacher are consulted and asked for their recommendation as to a child's grade placement. These recommendations, plus test results, determine a child's reading group.

According to S. K. Solleder, Assistant Superintendent, the younger the child usually the less ready he is to fit into a formal reading class. There are exceptions, of course, but the results of this year's test indicate that in general the poorer scores were made by younger children.

There were 375 first graders tested with the following results:

Number Tested	Expected Reading Success	Age Yr. - Mo.
185	Excellent	6 3
101	Good	5 11
67	Fair	5 10
16	Poor	6 0
6	Very poor	5 9

Parents who wish to see their child's test may make arrangements for a teacher conference by calling the school the child attends.

Cinderella Delights Golden P. T. A.

A tiny Cinderella and her diminutive Prince Charming delighted the audience at the Golden Avenue P. T. A. Thursday night. The large cast which included all the characters out of the old fairy tale, was made up from Mrs. Rodgers 2nd Grade. The play was written and directed by Mrs. Rodgers, who is to be complimented on a truly delightful production.

Those taking part in the play were Darcy Cremer as Cinderella, Wallace Rolniak as Prince Charming, Carol Pierce as the Wicked Stepmother, Sharon Nadler and Ann Smith as the Stepsisters and the following as Courtiers and Ladies, and the indispensable stage crew:

Virginia Bagley, Mary Cesena, Beverly John, Patricia Long, Linda McDonald, Linda Oyos, Irene Pope, Joanna Post, Alice Telles, Sandra Trepina, Betty Weaver, Rita Whisman, Gloria Whittlesly, Edward Caster, Lynn Cole, Robert Cruz, Jay Thomas Epperson, Clarence Farrell, Gary Gomes, Victor Jacobsen, Alan Lang, Boyd Lange, Donald Lawler, James Matthews, James Nislett, Joel Fergle, Robert Riggs.

A short business meeting preceded the play and after the last curtain fell the First Grade mothers served pumpkin pie and coffee.

CDA Initiates Seven Members

Seven new members were initiated into Court St. Teresa of Avila, No. 1580, Catholic Daughters of America. Grand Regent, Eleanor McCormick, assisted by Lillian Kennedy, District Deputy, presided at the impressive ceremony, Tuesday evening, Nov. 11th, at which time the following were initiated: Mmes. Helen Balshazy, Ellice Heraty, Eunice Lesko, Lola Matthews, Prudence McDade, Lucy Rosiak, and Marcela Schanz.

Visiting Dignitaries were: Mrs. Emma McIntosh, National Treasurer, Mrs. Eva Messerschmitt, State Regent, Mrs. Clara Fitzgerald, State Monitor, Mrs. Virginia Bohr, and Miss Lewine Gotman, District Deputies; Mrs. Aileen Johnson, Mrs. Regina Jones, Mrs. Sarah Monteverdi, Mrs. Jeanette Bettencourt, and Mrs. Jeanne Chambers, Grand Regents.

Rev. John W. McDonough, Court Chaplain, gave a short welcoming speech both to the new members and the visitors.

A short business meeting followed at which time plans for a Bake Sale to be held in St. John of the Cross Auditorium, December 7th, were discussed.

The reception for the new members was in charge of Mrs. Patricia Shea, assisted by Mrs. White, Mrs. Casimir Zworsky, Mrs. Irene Dugas, Mrs. Doe Eastering and Mrs. Hazel Litchfield. Mrs. Aileen Johnson and Miss Lewine Gorman poured at a beautifully decorated table, with the purple and gold colors carried out in the floral arrangements.

Judge: Thelma Best

Each qualified elector of said Lemon Grove School District shall be entitled to vote only in the Special Election Precinct of which he is a resident.

RECOMMENDATIONS OF THE SAN DIEGO COUNTY COMMITTEE ON SCHOOL DISTRICT ORGANIZATION

The San Diego County Committee on School District Organization recommended for the study of the area comprising the Lemon Grove School District has recommended the formation of a Unified School District, the boundaries of which shall follow those of the existing Lemon Grove School District.

This recommended plan for changing the school district organization was forwarded to the California State Board of Education and approved on October 23, 1952.

IN WITNESS WHEREOF, I have hereunto set my hand this 10th day of November, 1952.

CECIL D. HARDESTY
Superintendent of Schools
San Diego County, Calif.
Secretary, San Diego County Committee on School District Organization
